

TransactionStrategy

Restock

```
graph BT; Restock --> TransactionStrategy
```

The diagram illustrates a generalization relationship between two classes. At the top is a white rectangular box with a black border labeled "TransactionStrategy". Below it is a gray rectangular box with a black border labeled "Restock". Two blue arrows originate from the top of the "Restock" box and point upwards to the bottom of the "TransactionStrategy" box, indicating that "Restock" is a specialized version of "TransactionStrategy".
